

Steps to Spanish Goat Conservation Society DNA Registration

There is no minimum or maximum number of goats required for DNA Registered.

SGCS Does not guarantee DNA Registration.

1. Fill Breeder/Herd ID Application

Google Form link on website coming straight to SGCS email

2. Pay \$20 Application Fee - 1st Year Annual Membership

Payable to: SGCS, \$20, PO BOX 1578, Flat Rock, NC 28791-1578

3. Fill Goat Application

Google Form link on website coming straight to SGCS email

4. Submit photos of goats

spanishgoatconservationsociety@gmail.com

5. Pay Invoice and receive DNA Kits

Invoice will be emailed after photos are received, and goat(s) are accepted for DNA Registration.

Data will be entered into UC Davis system and DNA Kits will be shipped.

6. Submit DNA to UC Davis and await goat DNA Registration Certificate

Address and shipping container will be provided.

7. In order to receive SGCS Spanish Herd Certificate

5 Dam and 1 Sire DNA sample from breeding stock.

Fees:

Each goat is \$38

(if blood is not necessary)

UC Davis Marker \$30

SGCS DNA Registration Certificate \$5

Microchips \$3

Blood Kits \$3 (if necessary)

Shipping and Handling \$15

SGCS Application/Annual Membership Fee \$20

Example:

1 goat \$38 (per goat) + \$20 (Application/Annual Membership) + \$15 (Shipping & Handling) = **\$73**

6 goats (5 nannies and 1 billy) \$228 + \$20 + \$15 = **\$263**

(add \$3 per goat if blood is required)
